Subject: DOA drafts

Date: 9/8/00

The attached draft(s) are DOA departmental drafts that have just been submitted to the DOA budget office. We have not yet heard from the budget office as to whether it will be requesting this material as budget draft(s). We also do not know the analyst(s) at this point. In addition, any questions should be directed to the listed contact person, rather than the appropriate budget analyst, and any redraft instructions would come from that contact person. So, please enter and draft the attached under Administration – nonbudget for the time being and if the material is later requested as budget draft(s), it can then be converted to budget format.

Paul,
The draft from Paul McMahon I left in your hard-copy in box should include a transfer of any incumbent and should protect that individual's rights. Let me know if there is program language involved and I will help fit it into ch. 16.

DRAFTER'S NOTE

This draft will need to be changed to comply with budget draft format if it is included in the biennial budget bill. For example, position authorization provisions are not included in the biennial budget bill.

Also, please note that the draft does not reference the appropriations that provide funding for the position.

I have assumed a DOT SEG appropriation and a DOA GPR appropriation. Do you want to include the specific appropriation account?

Finally, if this proposal is enacted before the biennial budget act, any changes made in position authorization by this proposal will be superseded by the biennial budget bill unless the changes are also incorporated into that bill.
