To: Stephen Miller, Chief
Legislative Reference Bureau

From: Peter Maternowski 

Subject: 2001-2003 Budget Drafting Requests

Please draft the following items for possible inclusion in the Governor's 2001-2003 biennial budget bill.

1. **Limit dates of school districts referenda to spring and fall elections.** Under current law, a school board must seek voter approval at referendum in order to incur debt, to exceed its controlled revenue limit or to exceed the levy rate limit for a school construction fund (applicable only to MPS). Provide that school district referenda can only be held on the statutory spring and fall election dates. (See 99-01 biennial budget draft LRB-1193/1)
2. **Direct DPI vocational education consultants to work with the GWBLB.** Under current law, the State Superintendent is required to employ 9.5 vocational education consultants, (s. 115.001 (30)). Require the State Superintendent to ensure the vocational education consultants coordinate their activities with the staff of the Governor's Work Based Learning Board and support their activities under s. 106.12 (2).
3. **Certification of bond sales.** Require that before issuing long-term debt the terms and conditions of the sale must be 'certified' by the Department of Administration. School boards would be required to receive certification for both competitive and negotiated bond sales. The department would determine the information that districts would be required to submit and the guidelines the proposed sale would need to meet to be certified.
4. **Require the State Superintendent to ensure maximum flow through of federal funds to LEAs.** Under s. 115.28 (9), the State Superintendent is authorized to accept federal education aids. Require the State Superintendent to distribute to school districts (LEAs) the maximum amount of federal funding received that is consistent with federal guidelines. The department can retain funds for program administration as defined by federal law.
5. **District consolidation and treatment of staff.** S. 117.25, specifies the rights retained by employees of school districts that are consolidated. Modify the section to
