Subject: Revisions to LRB-1623/1

Peter,

Would you please make the following revisions to draft 1623/1 which creates two grant programs related to consolidation.

✓ In section 3, provide that the grants must go to two or more school districts to support studying the feasibility of their consolidation or coordinating service delivery among themselves. (i.e., require all the parties to the proposed consolidation or service delivery coordination to apply for the grant.)

✓ In section 4, please limit the grant awards to CESAs to a maximum of \$300,000 per application.

✓ Also direct the department to promulgate rules to administer both programs.

Thanks.
