s. 20.255 (1) (a) and to be released by the Secretary of the Department of Administration after the reorganization plan is implemented.

7. **Create a revolving loan fund for Charter School Start up costs.** Create a revolving loan fund from which the department will awards loans to school districts to support the development of charter schools. Funding can be used for capital expenditures, staff development activities, curriculum development and other costs associated with the start-up of schools chartered by a school board. Provide one-time funding of \$1.0 million GPR in a new appropriation, plus direct department to use \$1.0 million in federal charter school funding to capitalize the revolving loan fund. Loans from the fund are to be repaid over a five-year period, with the first annual repayment made during the fiscal year following the fiscal year in which the loan was awarded.
8. **Special Ed rules:** Require the State Superintendent to ensure that all special education rules promulgated by the department are to identical to federal guidelines.
9. **Virtual Education Rulemaking:** Require, that prior to promulgating any rules related to virtual education, DPI receive approval for the proposed rules from TEACH, WTCS and DOA.
10. **Bilingual/Bicultural Education:** Earmark \$1.0 million in the appropriation under s. 20.255 (2) (cc), *Bilingual-bicultural education aids*, in FY03 and thereafter for grants to school districts to develop "dual-immersion" bilingual education programs.
11. **Bilingual/Bicultural Education eligibility requirements:** Districts that meet the pupil count thresholds specified under s. 115.97 are required to establish a bilingual-bicultural education program for those pupils. A bilingual teacher, (also under s. 115.97), must teach these programs. For programs designed to serve pupils in the elementary grades, repeal the requirement that a school board hire a bilingual teacher.
12. **MPCP Eligibility Criteria:** S. 119.23 (2) (a) 1 specifies that to be eligible to participate in the MPCP a child must be a member of a family that has a total income that does not exceed 175% of federal poverty level. Increase the threshold to 185% and provide that once a pupil attends a private school under the program, they remain eligible in subsequent years.
13. **St. Thomas More MPCP eligibility:** Under current law only schools that are located within the City of Milwaukee are eligible to participate in the MPCP. Allow a school to participate in the program if the school grounds upon which the school is sited is located in whole or in part in the City of Milwaukee.
