The following is a statutory language proposal for the 2001-03 biennial budget. If you have any questions, please contact me at 266-7973 or kirsten.grinde@doa.state.wi.us.

The intent of this request is to require the Department of Natural Resources to submit to the Governor a plan to connect all existing state trails. The plan would be required to be submitted by July 1, 2002 and should address how the department will work cooperatively with other state agencies, local units of governments, federal agencies and nongovernmental organizations. The plan should also include an implementation schedule and a completion date by which all existing trails would be connected. The plan should address operations costs and how they would be funded.

This item should appear in the nonstatutory section of the budget bill.
