Note

David Schug:

I missed an item in the first draft of this "yank."

The item for page 236, line 18, is needed because the electronic government draft originally added ch. 235 to the list in s. 16.70 (2). It was deleted when the budget

was assembled because of my draft eliminating the

World Dairy Center Authority, but now that we are eliminating the elimination, the reference to ch. 235

~~is needed~~
should be restored.
