Terry:

There are a couple of provisions in the underlying budget draft related to this "Yank" that are purely technical and which I did not delete from the budget bill in this amendment. Those are ss. 177.18 (2) (intro.) and 177.24 (2). Section 177.18 (title), which I did delete in this amendment, is really technical, too. Section 177.18 (2) (d), which I ~~did delete~~ in this amendment, is largely technical. Let me know if you want any changes to this amendment.

Terry:

This amendment removes only the provisions in chs. 852 and 863. The changes I made in ch. 177 are left in the budget. I made them as cleanup to go along with what I was doing in the probate code, but keeping them in should not present a problem; they are not intimately tied to what I did in the probate code. (Those cleanup provisions are SECTIONS 2891, 2893, 2895, and 2904 of the budget.)
