Funding for Extrication Training and Driver Abstract Fees

15-1

Motion:

Move to provide \$375,000 SEG in 2002-03 in a new, annual appropriation for making a grant to a nonprofit company to organize, teach and monitor extrication training being offered to rescue personnel. Require DOT to make a grant of \$375,000 in 2002-03 and annually thereafter to a nonprofit company that has experience in providing training that meets the standards of the National Fire Protection Association and that prepares trained individuals to teach extrication techniques used for all types of vehicles, including mass transit and paratransit vehicles and heavy trucks, to rescue personnel. Specify that the funding may be used to provide training, acquire extrication equipment or develop extrication training curricula. Require the grant recipient to reach an agreement with DOT, prior to receiving a grant, on the use of funds, including the use of any curriculum developed with the grant funds.

Increase the driver abstract fee by \$0.20, effective on July 1, 2002. Increase estimated transportation fund revenue by \$460,000 in 2002-03 to reflect this increase.

Note:

[Change to Bill: \$375,000 SEG and \$460,000 SEG-REV]
