Bob Nelson - LRB

Each of these items passed in Finance Committee. Please draft these each separately. Military Affairs is a bill agency.

1) Motion #653 - this would probably modify s. 21.49(3m), and some portion of the Revenue code that allows for interception of refunds.

2) On issue paper #605 Alternative #5 passed - which modifies the governor's recommendations for the amount of tuition grants in which a member would be eligible for. (think points 13, 18 (and table 5) explain this alternative fairly well, but as always if you need any clarification please let me know. Please note that the Governor's definition change for 20 USC Code 1402 would remain in the bill.

Give me a call if you have any questions.

MILITARY AFFAIRS - AGENCYWIDE

Repayment of National Guard Tuition Grants

[LFB Paper #605]

71-93 (1)(a) 5?

Motion:

Move to require individuals who receive a National Guard tuition grant and become separated from the National Guard for cause to repay all tuition grant reimbursement amounts received from DMA during the term of the enlistment contract. Specify that "separation for cause" means misconduct as defined in military regulations or absence without leave for more than nine unit training assemblies. Establish this provision as an exception to the current law limit of 12 months after the receipt of a grant during which time DMA may require the repayment of a tuition grant if the recipient fails to meet National Guard service eligibility criteria. Authorize DMA to enter into an agreement with the Department of Revenue to collect such repayments through the tax intercept program and require the Department of Revenue to send any intercepted tax refunds or credits to DMA.

Note:

This motion would require individuals who receive grants under the program and become separated from the National Guard for cause to repay all grant funds received during the period of the terminated contract.
