annually) for transportation services for veterans. In addition to directing that the Department make an annual grant of \$100,000 SEG to the Disabled American Veterans Transportation Network, require the Department to distribute the remaining funds as follows: (a) award grants of up to \$1,000 to counties that receive transportation services from the Disabled American Veterans Transportation Network to develop, maintain, and expand transportation services to veterans; and (b) award grants to counties not served by the Disabled American Veterans Transportation Network to develop, maintain, and expand transportation services to veterans. Require the Department to promulgate rules specifying the application procedures and eligibility criteria for these grants. Prohibit a county from allocating any portion of a transportation services grant for use by another county department and from reducing funding to a county veterans service office based upon receipt of a transportation services grant.

9. Provide \$12,500 SEG annually from the Veterans Trust Fund for a grant to the Vietnam Veterans of America to reimburse the costs of basic and advanced training of qualified individuals for certification courses that would allow these individuals to represent veterans in disputes over federal benefits. Provide that these grants would not count against the annual awards amounts granted to veterans service organizations by the Department under s. 45.353(2) of the statutes.

-New subject

Nothing here

10. Provide \$1,500 SEG annually for County Veteran Service Office grants to reflect increased annual expenditures due to the movement of a county into a higher grant payment category due to an increase in population.

0160567

11. Provide \$25,000 SEG in 2001-02 to provide a grant to Armitage, Inc., to establish a supportive living environment for veterans near Onalaska.

Maybe just a Session law provision

[Change to Bill: -\$1,100 PR and -\$732,100 SEG in 2001-02 and -\$1,400 PR and -\$990,400 SEG in 2002-03 and -12.0 SEG positions annually]

A Wisconsin court may find that this amendment is a "private or local law". Under ^{article section} art. IV, sec. 18, of the Wisconsin Constitution, a "private or local law" must be enacted as single-subject legislation. If a court were to determine that this amendment is a "private or local law", the amendment cannot validly be enacted as part of the biennial budget act which clearly encompasses more than one subject.

A couple of changes to this. 1st we would like this added to the (2)(vco) language. This would also be an permanent appropriation change, not just for the biennium. ~~So~~ So, the language probably is not appropriate for Session Law.
