NATURAL RESOURCES – DEPARTMENTWIDE

Stewardship – Menasha Skateboard Park

Motion:

Move to require DNR to provide \$25,000 from the Warren Knowles-Gaylord Nelson Stewardship 2000 land acquisition subprogram to the City of Menasha for the purchase of land for a skateboard park facility in Winnebago County.

Note:

Under current law, \$46 million in general obligation bonding authority is available annually under the Warren Knowles-Gaylord Nelson Stewardship 2000 program. Under the stewardship biennial spending plan approved by the Natural Resources Board, \$7.25 million of the \$34.5 million for general land acquisition would be earmarked for grants to non-profit conservation organizations, leaving \$19 million available for DNR land acquisition (after \$8.3 million is set aside to account for the \$25 million Great Addition purchase in 1999). Of the \$11.5 million available for property development and local assistance, \$4.5 million would be allocated for property development, and \$7 million for local assistance grants.

Under 1999 Act 9, moneys obligated under the local assistance subprogram may only be used for nature-based outdoor recreation. The Department has defined "nature-based outdoor recreation" in emergency administrative rule to mean: "Activities where the primary focus or purpose is the appreciation or enjoyment of nature." These activities may include but are not limited to hiking, bicycling, wildlife or nature observation, camping, nature study, fishing, hunting picnicking, cross-country skiing, canoeing, and multi-use trail activities. Support facilities for these activities may include but are not limited to access roads, parking areas, utility and sanitation systems, sanitary and shelter buildings, signs, interpretive items, and other features that enhance nature-based outdoor recreation or improve disabled accessibility. Ineligible activities include but are not limited to sports that require extensively developed open space such as dedicated sports fields, swimming pools, and tennis courts. The motion would require DNR to use \$25,000 in land acquisition funds for the skateboard park.
