NATURAL RESOURCES – DEPARTMENTWIDE

Stewardship -- Atlas Mill

Motion:

Move to require DNR to provide \$250,000 from the Warren Knowles-Gaylord Nelson Stewardship 2000 property development and local assistance subprogram to the Paper Industry International Hall of Fame, Inc., to renovate the Atlas Mill into the World Paper Center. The Atlas Mill is located on the Fox River in the City of Appleton.

Note:

Under current law, \$46 million in general obligation bonding authority is available annually under the Warren Knowles-Gaylord Nelson Stewardship 2000 program. Under the stewardship biennial spending plan approved by the Natural Resources Board, \$7.25 million of the \$34.5 million for general land acquisition would be earmarked for grants to non-profit conservation organizations, leaving \$19 million available for DNR land acquisition (after \$8.3 million is set aside to account for the \$25 million Great Addition purchase in 1999). Of the \$11.5 million available for property development and local assistance, \$4.5 million would be allocated for property development, and \$7 million for local assistance grants. The Paper Industry International Hall of Fame, Inc., is a nonprofit organization dedicated to the recognition of individuals who have contributed to the world-wide paper industry.

The World Paper Center is estimated to cost approximately \$4.5 million to complete. To date, approximately \$1.5 million has been pledged from private sources.
