Representative Gary Sherman
Room 323 North, State Capitol
P.O. Box 8953
Madison, WI 53708

Dear Representative Sherman:

Thank you for your response to my letter regarding my concern for the lack of increase in funding for library systems. You have been supportive of library services and I am again asking for your help in trying to get some increase in funding when the budget comes up for consideration in the Assembly. I know you are aware of the problems we face up here with small libraries, tight budgets, and higher costs due to the large area the Northern Waters Library System covers. While an increase to 13% seems out of the question, an increase to 11.25%, even spread over the two year period, would enable the new distribution formula to take effect. This in itself would benefit Northern Waters, as well as other rural systems.

Without any increase in funding to the system, library services will take a giant step backwards.

Thank you for your support.

Sincerely,

Carol Eder
