Further, delete the Joint Finance language specifying that from May 1 through June 30, individuals may not hunt or pursue any free-roaming wild animal with the aid of dog or dogs in the northern portion of the state (as defined by the area that lies northward of a line beginning at Lake Michigan that follows the Oconto River upstream to where it reaches USH 41, that then runs northward along USH 41 until it intersects STH 22, that then runs westward on STH 22 to the City of Shawno, that then runs westward from the City of Shawno on STH 22 until it reaches STH 13, that then runs northward along STH 13 until it reaches STH 64, that then runs westward along STH 64 until it reaches USH 53, that then runs northwestward along USH 53 until it reaches USH 8, and that then runs westward along USH 8 until it reaches the Mississippi River), except for dog trials and training under permit, or on the premises of licensed game farms, fur farms, and shooting preserves or on any private land when license holders used licensed animals for dog trials.

Assembly: Expand the legal area for hunting bear with the aid of dogs to include all areas of Taylor, Price, Lincoln, Oneida, and Langlade Counties north of Highway 64. This would expand the legal area for hunting bear with the aid of dogs to include the area north of the line beginning at the Menominee River where CTH "J" in Marinette County intersects the Menominee River that then runs westward along STH 180 until it intersects USH 141, that then runs southward on USH 141 until it intersects STH 64, that then runs westward on STH 64 until it intersects STH 27, that then runs northward along STH 27 until it intersects with USH 8, and that then runs westward on USH 8 until it reaches the Mississippi River.

31. DNR WAUZKA HUNTING EASEMENTS

Senate: No change to Joint Finance.

Assembly: Require DNR within 30 days of the effective date of the budget act, to release a portion of the easement held by the Department on certain land owned by Design Homes Incorporated in the Village of Wauzeka in Crawford County in order to permit the construction of residences. The landowner would be allowed to specify which part of the property would be released from the easement.

32. HUNTING IN STATE PARKS

fish + game

Senate: No change to Joint Finance.

Assembly: Require DNR to open any state park that has received any funding from the fish and wildlife account at any time during the preceding ten years for hunting and fishing to the maximum extent possible. *DNR board may exempt a state park from this requirement*

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBb2072/1dn
RNK:kmg:ch

July 11, 2001

Please note that in this version of this draft I have created an entirely new provision specifying that DNR may not prohibit fishing in state parks that receive fish and wildlife account funding. I created a new provision because, while current law contains certain restrictions on hunting in state parks (under s. 29.089), it contains no such restrictions on fishing. Please contact me if you have any questions.
