Fiscal Estimate Narratives

PSC 9/25/01

LRB Number 01-3430/1	Introduction Number SB-248	Estimate Type Original
Subject Prohibiting certain governmental subdivisions from providing telecommunications and Internet services		

Assumptions Used in Arriving at Fiscal Estimate

This bill would prohibit the Public Service Commission (PSC) from certifying certain governmental subdivisions from providing or selling certain telecommunications and internet access services. The statutory provisions in the bill would not require any assertive actions by the PSC and therefore costs for the PSC will not be incurred.

Local Costs

The PSC does not have any specific data that would assist in quantifying any local government costs that would be incurred if this bill became law.

Long-Range Fiscal Implications
