EXECUTIVE COMMUNICATIONS

State of Wisconsin
Office of the Governor
Madison

April 23, 2001

To the Honorable Members of the Assembly:

The following bill, originating in the Assembly, has been approved, signed and deposited in the office of the Secretary of State:

<u>Bill Number</u>	<u>Act Number</u>	<u>Date Approved</u>
Assembly Bill 37 4	April 23, 2001

Respectfully submitted,
SCOTT MCCALLUM
Governor

April 4, 2001

Honorable Scott R. Jensen, Speaker
Wisconsin State Assembly
Room 211 West, State Capitol
Madison, WI 53702

Dear Representative Jensen:

On August 18, 1999, the Department of Administration entered into a lease with an option to purchase with Continental 93 Fund LLC for the new State Justice Center located in Block 84 on the Capitol Square. We have concluded that the purchase of this property would be in the best interest of the State and have included authorization for this purchase in the Capital Budget, which is being introduced concurrently with this letter.

The option to purchase provides for a purchase price of \$42,600,000, if we conclude the purchase before we take occupancy of the building which is currently projected to be September 1, 2001. However, if we purchase the property after the first occupancy, our costs will be \$1.2 million higher. It also appears that the Capital Budget will not be enacted into law prior to the occupancy of the building and we will be unable to save the \$1.2 million if we wait for passage of the Budget Bill.

This issue was discussed at a recent meeting of the State Building Commission. The Building Commission is of the opinion that special legislation should be considered by the Legislature authorizing this purchase before the Budget Bill is enacted.

Section 16.47, Stats., provides that no appropriation bill shall be passed by the Legislature before the Budget Bill is enacted with the exception that the Governor can recommend passage of such a special bill in an emergency situation. The Building Commission discussed the requirements of this statute and concluded that this situation is an emergency.

I concur and ask that the enclosed bill be considered for immediate passage before enactment of the Budget Bill.

(Assembly Bill 316 and Senate Bill 144) Your favorable consideration of this request would be appreciated.

Sincerely,
SCOTT MCCALLUM
Governor
