---

***Analysis by the Legislative Reference Bureau***

This bill eliminates the property tax on personal property. The bill also eliminates the state aid payments to taxing jurisdictions based on the value of computers and computer-related equipment that are exempt from the personal property tax and that are located in the taxing jurisdictions.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
