Call Sen. Feingold's office in DC.

Chief of staff not there, informed receptionist that left 2 messages + would call back.

within minutes Tim - by LT called back.

Why Feingold voted NO for appropriation bill:

\$30 million emergency spending measure which includes funds from Medicare resources and

a lot of the \$ in the emergency spending has been earmarked for programs such as research / alfalfa etc.

- being conservative he felt that was not appropriate...

Okey, Kohl more active in Agriculture Committee

One of their proposals re: milk in cheese is in it..

ultrafiltered milk - extract water for transport

ultra dry - Not approved by FST

wet ultrafiltered milk - produced in New Mexico
all producers against

original bill dealt with dry ...

passed amendment in an effort to change what's put to cheese

Conference vote is not scheduled - Republicans will decide
