Executive Session: **N/A**

Comments from Department of Revenue-

No technical or conceptual problems evident (SGH - 3/13/01).

Want it narrowly confined, specific end date. Should be only for those who deserve a 2nd chance

Comments from the Author-

Author's reasoning for introducing legislation:

Arose as a result of a constituent issue of son finding his sick father's check.

Author's intent:

To allow uncashed sales tax rebate checks to be cashed. Sets final date of December 31st, 2001. Applies only to checks in-hand that have not been cashed.

Does the Author want the legislation moved forward?

Yes No

If no, do we have this in writing?

Yes No

Is the legislation in its final form?

Yes No

If major changes are required, the author shall prepare and introduce the necessary amendments.

Notes-

comments.

*Author has prepared sub that limits the provisions of this bill to those who were unable to cash their check due to death in family or illness.
Death - Disability - Divorce*

-> Must be able to present check. No provisions on reissuance.

AB 162

To handle w/ treasurer & treat as state checks.

Process for treasurer to draw from GPR when an application is received. Don't want to transfer leftover funds to treasurer.

How much money needs to be transferred to treasurer cancelled draft fund. Can you start with \$1000 in fund.

Chap 20
Cancelled Drafts

Draw from GPR as necessary. Would not need to make an appropriation.

[For checks issued by DOR to be treated as cancelled drafts.
