CLEARINGHOUSE RULE 01-008

Comments

[NOTE: All citations to "Manual" in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated September 1998.]

2. Form, Style and Placement in Administrative Code

- a. In s. NR 10.01 (3) (e) 2. c., it appears that the word "county" has been inadvertently omitted after the second "La Crosse."
- b. In s. NR 10.101 (1) (c), the title refers to "Subadult" bear. It would seem that using "Non-adult" bear would be clearer, since there is no definition of the term "subadult."
- c. In SECTION 13, the agency should show the proposed change to s. NR 10.105 as a repeal of s. NR 10.105 (1) and a renumbering of s. NR 10.105 (2) to s. NR 10.105 (1).
- d. The agency should use care to make sure the provisions in Clearinghouse Rule 00-118, relating to deer population goals, are promulgated prior to the promulgation of Clearinghouse Rule 01-008 so that the treatment of s. NR 10.104 (4) (b) is as intended.

5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. It is not clear from the rule how s. NR 10.29 (2) is changed. A more complete description of the modifications would be helpful.

b. The reference in s. NR 11.011 (intro.) in SECTION 20 should show "intro" in parentheses. Also, the reference to "said waterfowl seasons" is not clear as to which seasons are being referenced. [See s. 1.01 (9) (c), Manual.]

c. The agency should review the effective date provision of the rule to assure that it is properly drafted to reflect the intent of the agency and to provide for an effective date in the event the rules are not published prior to the stated date.

REPORT TO LEGISLATURE

NR 10, 11, 16, 17 and 45, Wis. Adm. Code
Hunting, trapping and captive wildlife

Board Order No. WM-02-01
Clearinghouse Rule No. 01-008

Statement of Need

The proposed rule changes will improve hunting and trapping opportunities, create two pheasant management zones, define adult bear, eliminate the requirement of having to transport deer and bear in an exposed manner prior to registration, create deer and turkey hunting seasons at Mill Bluff state park, prohibit target shooting on state-owned lands in La Crosse, Outagamie and Winnebago counties, allow the use of rifles during the first two days of the gun deer season in all Mississippi River Block units that can currently use rifles during the last 7 days of the regular gun deer season and address issues relating to captive wild birds.

Modifications as a Result of Public Hearing

The proposals to prohibit target shooting on state owned or controlled lands in Brown and Oconto Counties were defeated locally. However, in Brown County, the statewide vote supported the proposal. Because of the close statewide votes and the lack of local support, these counties have not been recommended for a prohibition on target shooting on state owned or controlled lands within these counties.

Analysis Prepared by the Department of Natural Resources

Statutory authority: ss. 23.09(2), 29.014, 29.089 and 227.11, Stats.

Statutory interpreted: ss. 23.09(2), 29.089, 29.192 and 29.867, Stats.

In this order:

Section 1 Updates our Natural Resources Board policy on furbearers by incorporating trap standard improvements into our overall furbearer management program.

Sections 2 and 10 Defines an adult bear and prohibits the shooting of a bear that is accompanied by a bear that is not an adult bear.

Section 4 Restructures the Collins Zone by splitting the season into 3 time periods rather than the current 4 time periods.

Sections 5, 8 and 18 Establishes spring turkey, firearm, muzzleloader and late bow deer seasons at Mill Bluff state park.

Sections 6 and 7 Removes the prohibition of using rifles during the first 2 days of the regular nine day gun deer season in all units where rifles are allowed during the last 7 days of the season.

Section 9 Removes expired language.

Sections 11 and 27 Allows bear hunters to replace dogs in the pack should they drop out of a hunt.

Section 12 Increases the overwinter goal in deer management unit 75A from 15 to 20 deer per square mile of deer range.

Section 13 and 14 Eliminates the requirement of having to transport deer and bear in an open an exposed manner prior to registration.

Sections 15, 16 and 3 Allows the use of commercially manufactured, enclosed trigger traps within 15 feet of beaver dams and during closed seasons for muskrat, beaver, mink or otter.

Section 17 Extends the archery deer season in Buckhorn state park one month (through December).

Sections 18 and 20 Creates two turkey management zones and a spring turkey hunting season in those zones.

Section 21 Closes Mecan Springs to hunting and trapping during all open waterfowl seasons.

Sections 22 and 23 Prohibits game farms licensed for killing turkeys in the wild turkey management zones. Penned turkeys within the wild turkey management zones would remain legal.

Sections 24 and 25 Requires captive wild birds used for dog training to be marked with department leg bands prior to release.

Sections 26 and 28 Adds La Crosse, Outagamie and Winnebago counties to the list of counties where target shooting on state owned lands is illegal unless at designated target ranges.

Section 1. NR 1.16(2) is amended to read:

NR 1.16(2) HARVEST. Furbearers are significant from ~~a~~ an ecological, biological, recreational, cultural and economic standpoint. Regulations Management efforts will assure their future in suitable natural ecosystems and harvest regulations will be designed to make optimum use of these species for these purposes.

(a) Every effort shall be made to design regulations on as uniform a basis as possible that will still maintain desirable population levels from year to year. ~~High pelt prices on these species can result in temporarily depressed, local populations. Both recreational~~ Best management practices that include cultural, ecological and biological objectives shall be accorded primary consideration in the management of furbearer populations and the establishment of harvest regulations.

(b) Because of the ~~recreational and cultural, economic, recreational and public service~~ value of the furbearer harvest, present trapping methods and techniques must continue. However, efforts to develop new trapping methods and techniques best management practices for trapping that would improve humaneness, selectivity, efficiency, effectiveness and safety will be encouraged.

Section 2. NR 10.001(1L) is created to read:

NR 10.001(1L) "Adult bear", means a bear measuring 42 inches or greater measured in a straight line from the tip of the nose to the base of the tail.

Section 3. NR 10.001(9b) is created to read:

NR 10.001(9b) "Enclosed trigger trap" means any trap with a pull-activated trigger, inside an enclosure, and recessed 1 1/4 inches or more, from an opening that is no greater than 1 3/4 inches in diameter.

Section 13. NR 10.105 (1) is repealed.

Section 14. NR 10.105 (2) is renumbered NR 10.105.

Section 15. NR 10.13(1)(b)4. is amended to read:

NR 10.13(1)(b)4. Watersets. Take, capture or kill, or attempt to take, capture, or kill any furbearing animals at any time by means of watersets except during that period when and in those areas where there is an open season for trapping muskrat, beaver, or otter or when using a commercially manufactured, enclosed trigger trap. In addition, persons removing beaver under s. NR 12.10 may use watersets.

Section 21. NR 11.011(intro.) is amended to read:

NR 11.011 Waterfowl closed area: disturbance prohibited. (intro.) A closed season is established in the following areas posted with department signs. No person may hunt or trap any species of wild animal or disturb waterfowl thereon ~~from October 1~~ during the open seasons on waterfowl established in s. NR 10.01(1)(b) and (g) and from the day following the close of said waterfowl seasons through December 31. Legally killed or crippled game may be retrieved by dog or hand.

Section 22. NR 16.02(1) is amended to read:

NR 16.02(1) APPLICATION. This section applies to all game farms as provided in s. 29.867, Stats., including commercial operations, shooting game farms and hobbyists. The owner or lessee of any lands within the state suitable for the breeding and propagating of game birds or animals as may be approved by the department shall have the right upon complying with this section, to establish, operate and maintain a game bird and animal farm for the purpose of breeding, propagating, killing and selling game birds and game animals on such lands, except as identified under sub. (7). On areas where the hunting or killing of wild animals is to be permitted, the game farm license shall only include species listed in s. 29.001 (30), (36) and (39), Stats.

Section 23. NR 16.02(7) is created to read:

NR 16.02(7) WILD TURKEYS. On game farms licensed for killing birds, captive wild turkeys are considered suitable and authorized only if the turkeys and the game farm are located outside a wild turkey hunting zone established under s. 29.164 (2)(c)2., Stats., and s. NR 10.29.

Section 24. NR 17.02 (3)(e) is created to read:

NR 17.02(3)(e) *Captive wild bird identification.* All captive wild birds released under the authority of a dog training license shall be marked prior to release around the leg with a permanent band supplied by the department.

Section 25. NR 17.02(3)(f) is created to read:

NR 17.02 (3)(f) *Bird bands.* No person in possession of captive wild birds killed under the authority of a dog training permit shall have on their person any department unused dog training bird bands.

Section 26. NR 17.02(4)(b)2.(intro.) is amended to read:

NR 17.02(4)(b)2. (intro.) No person may possess any loaded or uncased firearm or air gun while within the boundary of state-owned lands posted with department signs in Dane, Dodge, Fond du Lac, Jefferson, Juneau, Kenosha, La Crosse, Milwaukee, Outagamie, Ozaukee, Racine, Sauk, Sheboygan, Walworth, Washington and Waukesha and Winnebago counties as established by s. NR 45.09(5) except:

Section 27. NR 17.02(4)(d)2. is repealed.

Section 28. NR 45.09(5)(intro.) is amended to read:

NR 45.09(5)(intro.) No person may possess any loaded or uncased firearm or air gun while within the exterior boundary of state-owned lands posted with department signs in Dane, Dodge, Fond du Lac, Jefferson, Juneau, Kenosha, La Crosse, Milwaukee, Outagamie, Ozaukee, Racine, Sauk, Sheboygan, Walworth, Washington, ~~and~~ Waukesha and Winnebago counties or on state forest lands in the Kettle Moraine or Point Beach state forests, state recreation areas or on state trails established on abandoned railroad grades, except as follows:

The foregoing rule was approved and adopted by the State of Wisconsin Natural Resources Board on May 23, 2001.

All sections within this rule shall take effect on April 1, 2002 except section 12 which shall take effect January 1, 2002 and sections 5, 8 and 18 which shall take effect on the first day of the month following publication.

SUMMARY OF BILL/RULE -

- Furbearers/trapping- updates our NRB policy on furbearers and liberalizes the use of commercially manufactured enclosed trigger traps.
- Bear hunting- defines an adult bear and prohibits the shooting of a bear that is accompanied by a bear that is not an adult bear and allows bear hunters to replace tired, young etc. dogs in the pack should they drop out.
- Waterfowl hunting- restructures the Collins Zone by splitting the season into 3 time periods rather than the current 4 time periods and modifies the Mecan Springs closed area time period.
- State Parks- establishes spring turkey, and deer seasons at Mill Bluff state park and extends the bow season at Buckhorn state park.
- Deer hunting- restricts hunters to harvesting one buck per hunter per year, modifies the deer and bear transportation requirements and allows the use of rifles in all deer management units that can currently use rifles during the last 7 days of the regular gun deer season.
- Turkeys-creates 2 turkey manage. zones and prohibits raising captive wild turkeys in turkey management zones.
- Target shooting- prohibits target shooting on state lands in Winnebago, La Crosse, Brown, Oconto and Outagamie counties.
- Dog training- requires captive wild birds used for dog training to be banded.

Fiscal Impact: The following changes would create an overall net increase in existing expenditures.

Bureau of Wildlife Management

New turkey management zones- The creation of 2 new management zones would result in an estimated \$3,500 in revenue generated from license and stamp sales.

We do not estimate that the other rule proposals will result in an increase or decrease in revenues or expenditures for Wildlife program.

Bureau of Law enforcement

For a majority of these issues and rule changes, there will be no net change in FTE hours or expenditure of new funds. The change will only be in terms of method of enforcement tactic used and definition of terms within said rules. Wardens will use existing equipment and existing hours to enforce these rules.

In regards to the issues which may possibly result in a change in FTE hours or expenditure of funds, (addition Turkey Zones, Longer Trapping season, etc), it's expected that these additional hours and expenditures can be absorbed within our current budgetary allotments.
