#### Assumptions Used in Arriving at Fiscal Estimate

- 1. Assembly Bill 201 requests the Joint Legilative Council (JLC) to study the state laws regarding guardianship and legal custody of minors and the rights and responsibilities of guardians and legal custodians. The JLC is to report its findings, conclusions, and recommendations to the legislature in the manner provided under s. 13.172 (2) of the statutes by January 1, 2005.
- 2. If the study is authorized, it is anticipated that it would be performed by a 12-person study committee composed of four legislators and eight members of the public. Legislative members of the committee would not incur additional expenses by virtue of their services on the study committee. The public members of the committee would be eligile for reimbursement for their travel expenses associated with committee meetings. It is anticipated that those expenses would not exceed \$2,000 (8 members; 4 meetings). Reimbursement would be from the JLC's s. 20.765 (3) (e) appropriation.
- 3. All costs associated with the study are typically absorbed within existing budgets.

#### **Long-Range Fiscal Implications**
