Subject Compatibility; some part-time local government seasonal employees may be elective officers		

Assumptions Used in Arriving at Fiscal Estimate

AB 256 would permit part time seasonal employees of parks and recreation programs of cities, villages or towns whose annual compensation did not exceed \$15,000 to hold elective offices in those cities, villages or towns.

The Department of Employment Relations does not have any data that suggests this provision would have a fiscal effect on the cities, villages or towns.
