<b>Subject</b> Repeal the comprehensive planning (Smart Growth) statute		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill repeals the Smart Growth statute. Under current law, the Department of Commerce is required to submit a plan to enable any state or local unit of government to easily integrate land information for the purpose of creating or amending a comprehensive Smart Growth plan. Under this bill, the Department retains the requirement to annually submit such plan.

It is unlikely that this bill will add any costs to local units of government.

**Long-Range Fiscal Implications**
