Assumptions Used in Arriving at Fiscal Estimate

Current law prohibits a sale of alcohol beverages unless the seller possesses a license or permit authorizing the sale. Municipalities may not issue a Class "A" license and a beer wholesaler's license to the same person. Persons holding both a Class "A" license and a beer wholesaler's license issued before May 5, 1994 may, with certain exceptions, continue to operate under both licenses.

This bill allows a person who holds Class "A" and beer wholesaler's licenses issued before May 5, 1994, to transfer both licenses to a premise in another municipality within the same county. Upon approval of the transfer and payment of the transfer fee, the municipality receiving the transferred licenses must recognize the validity of the licenses.
