Assumptions Used in Arriving at Fiscal Estimate

There would be no fiscal effect from the provision that would allow the department to pursue legal action in circuit court instead of small claims court. There would be no change in how the department prepares its cases.

There also would be no fiscal effect from the provision that would eliminate the statutory provisions regarding weather modification. There have been no weather modification permits since 1977.

In summary, this bill would have no fiscal effect on the department.
