

Fiscal Estimate Narratives

TREAS 12/5/2003

LRB Number 03-3672/2	Introduction Number AB-683	Estimate Type Original
Subject College savings program; permit contracting with more than one manager		

Assumptions Used in Arriving at Fiscal Estimate

Costs related to writing and issuing requests for proposals, and costs related to evaluating proposals and writing contracts for multiple vendors may or may not fit within the agency's current expenditure authority. If costs exceed expenditure authority, the agency would have to submit a s.13.10 request for additional Segregated budget authority, revenues permitting.

Long-Range Fiscal Implications
