Fiscal Estimate Narratives DPI 6/12/2003

LRB Number 03-2523/1	Introduction Number	SB-175	Estimate Type	Original				
Subject								
Require instruction on history of organized labor								

Assumptions Used in Arriving at Fiscal Estimate

This bill requires that every school board's instructional program in state, national and world history include information on the history of organized labor in America and the collective bargaining process.

School districts may incur costs to change their history curriculum to include information on organized labor and the collective bargaining process. It is assumed that these costs would be minimal and could be absorbed by the school district.

Long-Range Fiscal Implications
