Subject Notice of open meetings and public records laws		

Assumptions Used in Arriving at Fiscal Estimate

The bill imposes certain requirements on counties, cities, villages and towns regarding notices of open meetings and public records access laws. It is estimated that there likely would be some minor local government costs to reproduce copies of the open meetings law to post in local offices and to include public records and meeting law notices in county directories, however, the costs are indeterminate.

Long-Range Fiscal Implications

Ongoing minor costs.
