Dear Representative Grothman and Senator Leibham:

The Department of Health and Family Services has an emergency rulemaking order in effect that will expire before the emergency rules are replaced by permanent rules unless the effective period of the emergency order is extended. Pursuant to s. 227.24 (2), Stats., I ask the Joint Committee to extend the effective period of the emergency order by **60 days** as indicated below. The emergency rules are as follows:

The emergency rulemaking order amending ch. HFS 15 was published and effective on **July 28, 2003**, and **will expire on December 24, 2003**, unless extended.

Replacement permanent rules were sent to the Legislative Council for review on August 25th and were the subject of a combined (emergency and proposed permanent) public hearing held on October 15th. No one attended the hearing and the Department did not receive any public comments on the rules. The Department recently sent the Legislative Report to the Presiding Officers of the Senate and Assembly. Consequently, the Department will not be able to file the rules until at least late December for a February or March 1st effective date. Therefore, I request an extension of the effective period of the emergency rules by **60 days**, through February 22, 2004. If the effective period of the emergency rules is not extended, in the interim, the Department will not have the authority to collect the fees from long-term care facilities.

A copy of the emergency rulemaking order is attached to this letter. If you have any questions about the rules, you may contact C. David Lund, in the Division of Health Care Financing at 266-2021.

ORDER OF THE
DEPARTMENT OF HEALTH AND FAMILY SERVICES
REPEALING, AMENDING, AND REPEALING AND RECREATING RULES

EXEMPTION FROM FINDING OF EMERGENCY

The legislature by section 9124 (3) (b) of 2003 Wisconsin Act 33 provides an exemption from a finding of emergency for the adoption of the rule.

Analysis Prepared by the Department of Health and Family Services

2003 Wisconsin Act 33 modified section 50.14 of the Wisconsin statutes, relating to assessments on occupied, licensed beds in nursing homes and intermediate care facilities for the mentally retarded (ICF-MR.)

Under section 50.14 of the Wisconsin Statutes, nursing facilities (nursing homes and ICF-MRs) are assessed a monthly fee for each occupied bed. Facilities owned or operated by the state, federal government, or located out of state are exempt from the assessment. Beds occupied by a resident whose nursing home costs are paid by Medicare are also exempt. The rate, specified in section 50.14 (2) of the statutes, was \$32 per month per occupied bed for nursing homes and \$100 per month per occupied bed for ICF-MRs.

2003 Wisconsin Act 33 made the following changes to section 50.14:

1. It broadened the scope of which types of long-term care facilities must pay a monetary assessment to the Department by:

- eliminating exemptions from being subject to the assessments of facilities owned or operated by the state or federal government, and beds occupied by residents whose care is reimbursed in whole or in part by Medicare under 42 USC 1395 to 1395ccc; and
- eliminating the exclusion of unoccupied facility beds from facility bed count calculations.

2. It increased the per bed fee limit the Department may charge subject ICF-MRs, from \$100 per bed to \$435 per bed in fiscal year 2003-04 and \$445 per bed in fiscal year 2004-05.

3. It increased the per bed fee limit the Department may charge subject nursing homes, from \$32 per bed to \$75 per bed.

4. It establishes the requirement that amounts collected in excess of \$14.3 million in fiscal year 2003-04, \$13.8 million in fiscal year 2004-05, and, beginning July 1, 2005, amounts in excess of 45% of the amount collected be deposited in the Medical Assistance Trust Fund.

5. It specifies that facility beds that have been delicensed under section 49.45 (6m) (ap) 1. of the statutes, but not deducted from the nursing home's licensed bed capacity under section 49.45 (6m) (ap) 4. a., are to be included in the number of beds subject to the assessment.

In response to these statutory changes, by this order, the Department is modifying chapter HFS 15 accordingly.

The Department is also proceeding with promulgating these rule changes on a permanent basis through a proposed permanent rulemaking order.

ORDER
