Senator Carol Roessler
Chair, Committee on Health, Children, Families, Aging and Long-Term Care

Dear Senator Roessler:

Thank for agreeing yesterday to bring Senate Bill 114 up for a public hearing this fall. As you know, Senate Bill 114 seeks to expand SeniorCare benefits to the disabled, and the Legislative Fiscal Bureau has determined that this expansion can be fully funded by a nickel increase in the cost of tobacco.

July/Aug

SB 114 has been enthusiastically supported by organizations such as the Wisconsin Coalition for Advocacy, and the Multiple Sclerosis Society. They will be delighted to hear of your courtesy and consideration in agreeing to allow this bill to be brought for a hearing. I hope that we will be able to convince you of the merits of this bill, and to gain your support. If there are any questions you may have about the bill, or if you see any areas that you believe can be improved, I will be more than happy to work with you.

Sincerely,

State Senator Carol Roessler, Chairperson
Committee on Health, Children, Family, Aging and Long-Term Care
State Capitol, Room 8 South
PO Box 7882
Madison, WI 53707-7882

Dear Senator Roessler:

On behalf of the Wisconsin Council on Physical Disabilities, I am writing in support of Senate Bill 114.

The cost of prescription drugs is a major problem for a significant number of people with disabilities in this state. A program modeled after SeniorCare would be a step in the right direction.

The Council requests that a public hearing be scheduled on SB 114. We are confident that many individuals and advocacy agencies would welcome an opportunity to discuss this proposal with legislators.

Sincerely,

JorJan Borlin
Chairperson
