CR said she  
agrees + supports the  
idea but can't  
support bill @ this time  
due to budget condition (no money).

Happy New Year to you!

Good question. This bill was just referred and Carol has not seen it yet. If I still worked for Rob I could tell you "no" given his position on spending but I am not sure yet with Carol what type of things she is willing to support new funding for in light of the state's budget problems. She is planning to be in the office tomorrow and I will talk to her about this bill.

## 2003 SENATE BILL 353

December 23, 2003 - Introduced by Senators M. MEYER, ROBSON and SCHULTZ, cosponsored by Representatives UNDERHEIM, SHILLING, OTT and MILLER. Referred to Committee on Health, Children, Families, Aging and Long Term Care.

1 AN ACT *to create* 16.40 (24m) and 20.505 (1) (ff) of the statutes; **relating to:**  
2 creating grants for the Wisconsin Patient Safety Institute, Inc., and making an  
3 appropriation.

---

### *Analysis by the Legislative Reference Bureau*

This bill creates a grant program, beginning July 1, 2004, within the Department of Administration that provides \$150,000 in general purpose revenues annually to the Wisconsin Patient Safety Institute, Inc. Moneys from the grant are for the collection, analysis, and dissemination of information about patient safety and the training of health care providers and their employees that is directed toward improving patient safety. The Wisconsin Patient Safety Institute, Inc., must provide matching funds equal to 50 percent of the annual grant amount awarded.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
