Dear Senator Wirch:

Pursuant to Senate rules, this paper ballot represents executive action by the Senate Committee on Homeland Security, Veterans and Military Affairs and Government Reform on **Senate Bill 237, Senate Bill 271, Senate Bill 291, Senate Bill 297, Senate Bill 365, Senate Bill 405 and Senate Bill 410.**

I have made the following motions for your consideration:

- Recommendation of introduction and adoption of *Senate Amendment LRBa1986/1* to **Senate Bill 237**.
This amendment narrows the prohibition on the withholding of a conditional use permit for reasons not directly related to the conditional use permit. The amendment states that approval of a conditional use permit cannot be conditioned on a property owner entering into a contract or discontinuing, modifying, extending or renewing an existing contract with a third party if that third party is engaging in a lawful use of the property.
