JUL 16 2003

July 10, 2003

Senator Ron Brown
Room 104 South
State Capitol Building
Madison, WI 53214

Dear Senator Brown;

I am writing to you on behalf of one of my constituents, Ms. Beth Friberg. She is concerned about a requirement to provide her Social Security number on her application for driver's license renewal. She was told that this was a statutory requirement and was very uncomfortable providing this information. Aside from the issue of identity theft, Ms. Friberg noted that the number had been provided to a number of government agencies-federal and state previously. She suggested that the number of agencies requiring this information should be more coordinated, thus reducing the possibility the number could be stolen or misused.

As the Chairman of the Homeland Security, Veterans and Military Affairs and Government Reform, I am wondering if we might explore the possibility of a public hearing that would explore privacy issues. Clearly, the Federal Homeland Security Act has generated a great deal of discussion and concern throughout the country. It would seem that such a meeting would be an opportunity to clarify the respective roles of government and the individual in today's society.

In closing, I would be glad to discuss this issue with you and work together on this matter. Perhaps you could discuss these issues and determine if there is interest in providing a forum on the issues of Homeland Security and individual rights. I look forward to hearing from you in the future.

Sincerely,

A handwritten signature in cursive script that reads "Tom".
