SCOTT FITZGERALD

WISCONSIN STATE SENATOR

**Testimony from Senator Scott Fitzgerald on Senate Bill 98 and
Assembly Bill 252: Housing of County Prisoners from Michigan**
Senate Committee on Judiciary, Corrections, and Privacy
Tuesday, August 25, 2003

Chairman Zien and Members of the Committee:

Thank you for holding a public hearing on Senate Bill 98 and Assembly Bill 252. I appreciate the opportunity to testify in front of you today.

These bills would allow Wisconsin's county jails to hold persons detained by a Michigan county that borders Wisconsin. The sheriffs have indicated that they have the beds available, and that Michigan has the need.

This bill is a possible revenue stream for struggling counties. The average county jail stands to gain about \$40 a day per hold from this transfer.

Current law would still apply which would give the sheriff of the Wisconsin county the right to refuse to house any contact prisoner including those from Michigan.

The relating clause of the bill specifically states Michigan and therefore cannot be amended to add other states. I know that bills have been introduced to include other states, and I will be supporting those bills as well.

Again I thank you and welcome any questions.

MEMORANDUM

TO: Honorable Members of the Senate Committee on Judiciary, Corrections and Privacy

FROM: Sarah Diedrick-Kasdorf, Senior Legislative Associate 

DATE: August 26, 2003

SUBJECT: Senate Bill 98 and Assembly Bill 252

The Wisconsin Counties Association (WCA) supports Senate Bill 98 and Assembly Bill 252 which allow county jails to detain persons who are detained by a county that borders this state and is located in the state of Michigan if the counties involved enter into an interstate cooperation agreement that takes into account all the requirements of Wisconsin law regarding the detention of persons in county jails.

The majority of counties in Wisconsin has either completed a jail expansion/renovation project or is in the process of constructing a new jail or new jail beds for the detention of prisoners. Jail populations in the state of Wisconsin have been increasing over the years. To prevent a situation where a new county jail is full upon opening, or needs to be expanded five years or less after project completion, counties are building jails that will meet their space needs in 10-15 years and beyond. In the interim, counties have the capacity to hold additional inmates. Passage of this bill will allow a county bordering the state of Michigan to hold inmates for their counterparts in Michigan which not only promotes intergovernmental cooperation, but also allows the county to receive revenue to offset the costs associated with jail construction, operation and maintenance (which provides property tax relief for the citizens of the county).

WCA respectfully requests, however, that this committee take up Assembly Bill 390, as soon as it is available to this committee, to give all border counties the ability to enter into an intergovernmental cooperation agreement with neighboring counties in other states. WCA has heard from at least two additional counties (Polk and Douglas Counties) that would welcome the opportunity to provide assistance to their neighbors, as well as receive the economic benefits associated with contracting current excess jail capacity.

WCA respectfully requests your support for Senate Bill 98 and Assembly Bill 252. Thank you for considering our comments.

Assembly Bill 252
Transfer of Prisoners from Michigan to Wisconsin Jails
8/26/03

Representative Lorraine M. Seratti

Dear Chairman Zien and members of the Senate Committee on Judiciary, Corrections and Privacy:

I am writing this letter in support of Assembly Bill 252. Unfortunately, I am unable to attend today's hearing due to the Council of State Governments Midwestern Legislative Conference meeting in Milwaukee.

Current law does not allow Wisconsin counties to enter into an agreement with a neighboring state to house prisoners from that state in the county's jail.

There are counties whose jails are currently underutilized. Marinette County, like many other counties, banked on the promise that the Department of Corrections would be housing prisoners in their county jail. Corrections didn't follow through and now Marinette County the county is faced with unmanageable operating costs.

At the same time, jails in Michigan are overcrowded. Prisoners are sent a long distance from home, while jail cells sit empty just across the border in Wisconsin.

That is why Speaker Gard, Senator Fitzgerald and I authored Assembly Bill 252. AB 252 will allow Wisconsin counties to enter into agreements with border counties in Michigan to house their prisoners.

This bill will help ensure that government resources are properly utilized. It doesn't make sense to allow a correctional facility to remain nearly empty, when there is a possibility to use it. Thank you for your consideration.

A handwritten signature in cursive script that reads 'Lorraine M. Seratti'.
