Any ballots removed for lack of initials shall not be counted but shall be marked, set aside and carefully preserved.

e. ~~If, after completing the steps set forth in subd. 4. d.,~~ the number of ballots still exceeds the number of voters reduced by the number of defective envelopes set aside under subd. 2., the remaining ballots shall be returned to the container or bag and the board of canvassers shall draw a number of ballots equal to the excess number of ballots by chance and without inspection from the container or bag. These ballots shall not be counted but shall be marked as having been removed by the canvassers on recount due to an excess number of ballots, set aside and carefully preserved.

(d) The court shall set aside or modify the determination of the board of canvassers or the chairperson of the board or chairperson's designee if it finds that the board of canvassers or the chairperson or chairperson's designee has erroneously interpreted a provision of law and a correct interpretation compels a particular action. If the determination depends on any fact found by the board of canvassers or the chairperson or chairperson's designee, the court may not substitute its judgment for that of the board of canvassers or the chairperson or designee as to the weight of the evidence on any disputed finding of fact. The court shall set aside the determination if it finds that the determination depends on any finding of fact that is not supported by substantial evidence.

The court may order the defendant to pay a reasonable fee, based on the person's ability to pay, to offset the costs of establishing, maintaining, and monitoring the visits ordered under this subsection. The court may order a visit to the site only if agreed to by the person responsible for the site. If the opportunities available to visit sites under this subsection are fewer than the number of defendants eligible for a visit, the court shall, when making an order under this subsection, give preference to defendants who were under 21 years of age at the time of the offense. The court shall ensure that the visit is monitored. A visit to a site may be ordered for a specific time and a specific day to allow the defendant to observe victims of vehicle accidents involving intoxicated drivers. If it appears to the court that the defendant has not complied with the court order to visit a site or to pay a reasonable fee, the court may order the defendant to show cause why he or she should not be held in contempt of court. Any organization or agency acting in good faith to which a defendant is assigned pursuant to an order under this subsection has immunity from any civil liability in excess of \$25,000 for acts or omissions by or impacting on the defendant. The issuance or possibility of the issuance of an order under this subsection does not entitle an indigent defendant who is subject to sub.
