Subject Exempt assessors from prosecution for trespassing while performing official duties		

Assumptions Used in Arriving at Fiscal Estimate

This bill creates an exception to current trespassing laws, allowing an assessor or an assessor's staff to enter on a person's land or construction site for the sole purpose of making an assessment of that property. This bill requires the assessor or the assessor's staff to leave a notice in a prominent place on the property for the property owner that their property has been assessed and how to contact the assessor.

The Department estimates no fiscal impact to either state or local government under this proposed legislation.
