

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2307/P5dn
RPN:wlj:rs

October 10, 2005

Attorney Lief has left the LRB so I am taking over this draft. I tried to follow the instructions to repeat sub. (3) (d) to (o) for the contractor-supplier conflict and created sub. (9) (b) to (m). I hope that was your intent.

I made the change requested on p. 4, l. 3 (90 to 135 days), and the change on p. 15, l. 1 regarding "homeowner."

I did not add a cross-reference to the s. 101.148 (1) (f) definition of "supplier" because that is on p. 3, l. 19.
