Description Creating a Healthy Wisconsin Authority and requiring a study on a catastrophic reinsurance program for health care costs					

Assumptions Used in Arriving at Fiscal Estimate

AB 1171 creates the Healthy Wisconsin Authority (HWA). The HWA is governed by a 13 member board. The Commissioner of Insurance is a non-voting member of the board. The agency could possibly incur costs associated with attendance at board meetings, however, the length, frequency and location of those meetings are not defined. Therefore, associated costs cannot be determined.
