

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa2005/1dn  
RNK:wlj:rs

January 20, 2006

This amendment increases the authorized FTE positions for the Department of Commerce by 1.0 GPR position. The draft specifies that the position is funded from the appropriation under s. 20.143 (3) (a), stats. Is this the appropriation from which you want the position to be funded?

The general effective date of Senate Bill 325 is the first day of the second month beginning after publication. Consequently, this is the date on which the new position will become effective. Is this consistent with your intent?

Please feel free to contact me if you have any questions with regard to this draft.
