2005 BILL

(Handwritten initials in a circle)

(Handwritten signature: ReGen)

✓+

1 AN ACT *to amend* 100.26 (4m); and *to create* 100.54 of the statutes; **relating**  
2 **to:** prohibiting charging grossly excessive prices for consumer goods and  
3 services and providing a penalty.

***Analysis by the Legislative Reference Bureau***

This bill prohibits charging for consumer goods or services a wholesale or retail price that grossly exceeds the price at which similar goods or services are sold or that grossly exceeds the average price at which similar consumer goods or services were sold in the 12-month period immediately preceding a sale of the goods or services. Under the bill, "consumer goods or services" means goods or services typically used for personal, family, or household purposes, including emergency and medical supplies, transportation, freight and storage services, motor vehicle fuels, consumer food items, home heating oil, building materials, housing, personal investment opportunities, personal business opportunities, and personal training courses. "Consumer goods or services" does not include investment or business opportunities or training courses, when offered to a business; real estate, except cemetery lots or time shares; or certain pay-per-call services or newspaper subscriptions.

Under the bill, the attorney general investigates violations of, and enforces, the provisions of the bill.

**BILL**

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
