Steve,

4956

Here's what I have so far.

I'm not the main legislation drafter in the office, and so I'm not sure what you're looking for. If you need something different than this, please feel free to let me know or to make any layout changes that are needed.

I appreciate all of your help, and I'll send you additional information, especially his date of birth, once I have it.

Thanks!

Katie
