Analysis by the Legislative Reference Bureau

This bill makes various changes in the unemployment insurance law. Significant provisions include:

BILL

BENEFIT CHANGES

Determination of wages for purposes of partial unemployment benefits

Under current law, with certain exceptions, if a claimant earns wages in a given week in employment covered by the unemployment insurance law, the first \$30 of the wages are disregarded and the claimant's weekly benefit payment is reduced by 67 percent of the remaining amount of wages earned. However, any amount that a claimant earns for services performed as a volunteer fire fighter, volunteer emergency medical technician, or volunteer first responder in any week does not reduce the claimant's benefit payment for that week. This bill discontinues the exclusion of amounts earned for volunteer fire fighter, volunteer emergency medical technician, and volunteer first responder services from partial unemployment benefit calculation. The bill also provides that wages earned in work not covered by the unemployment insurance law are included with other wages in calculating benefit reductions for partial unemployment benefits.

Benefit reductions due to certain suspensions, terminations, and leaves

Currently, if an employee is suspended from his or her employment, or if an employee is terminated by his or her employer because the employee is unable to do, or unavailable for, suitable work otherwise available with the employee's employer, or if an employee is granted family or medical leave, the employee is ineligible for benefits for the week in which the suspension or termination occurs or the leave begins. This bill provides instead that an employee who is suspended or terminated due to unavailability for work or an employee who is granted family or medical leave is only ineligible to receive benefits for the portion of the week after which a suspension or termination occurs in which the employee was unable to perform work or unavailable for work due to a suspension or termination.

Self-employment disqualification

Currently, an individual who is self-employed is not eligible for benefits for any week in which the individual has worked at the self-employment unless the individual establishes to the satisfaction of the Department of Workforce Development (DWD) that he or she has made an active and bona fide search for employment. Claimants who are not self-employed are exempted from requirements to search for work if they are laid off by an employer and have a reasonable expectation of reemployment with the same employer. This bill deletes the self-employment disqualification, thereby making individuals who work at their self-employment eligible for benefits on the same basis as other claimants.

Voluntary termination of work

Currently, if an employee voluntarily terminates his or her work with an employer, the employee is generally ineligible to receive benefits until four weeks have elapsed since the end of the week in which the termination occurs and the employee earns wages after the week in which the termination occurs equal to at least four times the employee's weekly benefit rate in employment covered by the unemployment insurance law of any state or the federal government. However, an employee may terminate his or her work and receive benefits without requalifying under this provision if the employee terminates his or her work with good cause attributable to his or her employer. In addition, an employee may voluntarily

BILL

terminate his or her work and receive benefits without requalifying under this provision if the employee is transferred by his or her employer to work paying less than two-thirds of his or her immediately preceding wage rate with that employer, except that the employee is ineligible to receive benefits for the week of termination and the four next following weeks. This bill deletes the latter exception. Under the bill, if an employee's wages are substantially reduced by his or her employer, the employee may still be able to voluntarily terminate his or her employment and claim benefits without requalifying or waiting, if it is determined that the wage reduction constitutes good cause attributable to the employee's employer.

Employee status

Currently, to be eligible to claim benefits, an individual must, in addition to other requirements, be an "employee," as defined in the unemployment insurance law. Generally, an "employee" is an individual who performs services for an employer covered by the unemployment insurance law, whether or not the employer directly pays the individual. However, an individual is not an "employee" if the individual owns a business that operates as a sole proprietorship or if the individual is a partner in a business that operates as a partnership. This bill provides that these exclusions apply only with respect to services ~~performed for a sole proprietorship or partnership~~ *performed by the individual performs* ~~respectively~~ *the*

TAX CHANGES

Uncollectible reimbursable benefits

Currently, an employer that is a nonprofit organization may, in lieu of paying regular contributions (taxes) to the unemployment reserve fund, elect to reimburse the fund for the cost of benefits charged to its account. If a nonprofit organization that has elected reimbursement financing fails to reimburse the fund for the cost of benefits charged to its account and DWD is unable to collect the amount due, together with any interest and penalties, the fund must absorb these costs. Employers that elect reimbursement financing do not contribute to the payment of these costs. This bill provides that if, as of June 30 of any year, there is ~~more than~~ *at least* a total of \$5,000 due from nonprofit organizations for reimbursements of benefits paid on their behalf that DWD has determined to be uncollectible, DWD must assess all employers that are nonprofit organizations, except Indian tribes, for these costs, but shall not assess more than a total of \$200,000 in any single year. Under the bill, assessments are applied by DWD to each employer's ~~taxable payroll for~~ *gross* ~~unemployment insurance purposes~~ at a rate determined by DWD to be sufficient to reimburse the fund for uncollectible reimbursements paid on behalf of employers that are nonprofit organizations. *The bill provides that no assessments*

Treatment of professional employer organizations

Currently, an employer is generally liable for contributions (taxes) or benefit reimbursements based on an individual's employment if the individual is subject to the employer's direction or control over the performance of the individual's services. However, if an individual performs services for a client of a professional employer organization under a contract, the organization is liable for contributions or benefit reimbursements based on those services under certain specified conditions.

are payable based on uncollectible reimbursements that became payable before January 1, 2004

BILL

Currently, a "professional employer organization" is an organization that contracts to provide the nontemporary, ongoing workforce of a client. Under this bill, an organization may qualify as a "professional employer organization" only if it contracts to provide the nontemporary, ongoing workforce of more than one client, and the majority of the organization's clients are not under the same ownership, management, or control as the organization, other than through the terms of the contract.

OTHER CHANGES***Electronic reporting***

Currently, employers must file separate quarterly reports of contributions and wages with DWD. Employer agents that file contribution reports on behalf of 25 or more employers must file the reports using an electronic medium approved by DWD. Employers that employ 100 or more employees must also file quarterly wage reports using an electronic medium approved by DWD. This bill requires each employer of 50 or more employees that does not use an employer agent to file its contribution reports to file those contribution reports electronically using the Internet on a form prescribed by DWD. The bill requires each employer agent that ~~files~~ ^{prepares} contribution reports on behalf of less than 25 employers to file those reports electronically using the Internet on a form prescribed by DWD. The bill requires all employer agents to file all wage reports electronically using the Internet on a form prescribed by DWD. The bill also requires employers of 50 or more employees to file wage reports using an electronic medium approved by DWD. In addition, the bill makes an employer that is required to file its contribution reports electronically liable for a penalty of \$25 for each report that is not filed electronically in the form prescribed by DWD.

Successorship

Currently, if a business is transferred from one employer to another employer, the transferee may, under certain conditions, request that DWD treat it as a successor to the transferor for purposes of unemployment insurance experience, including contribution (tax) and benefit liability. DWD must treat the transferee as the successor to the transferor if the transferor and transferee are owned or controlled by the same interests. When a transferee is treated as a successor to a transferor, the contribution rates of the transferor and transferee are recomputed effective on January 1 of the year following the transfer. This bill requires DWD to treat the transferee as the successor to the transferor if the transferor and transferee are owned, controlled, *or managed* by the same interests. The bill also requires recomputation of the transferor's and transferee's contribution rates effective on the date of the transfer. The bill permits DWD to nullify a successorship if it finds that a substantial purpose of a business transfer was to obtain a reduced contribution rate for the transferee. In addition, the bill provides for punitive increases in contribution rates for employers, and creates both civil and criminal misdemeanor penalties for other persons, who knowingly make or attempt to make a false statement or representation to DWD in connection with an investigation to determine whether an employer qualifies to be considered a successor to the transferor of a business.

BILL

Coverage of certain AmeriCorps employees

Currently, employees performing services for the federal AmeriCorps program are generally covered under the unemployment insurance law. This bill eliminates coverage for those services, except for services performed as a part of a professional corps program in which a public or private nonprofit employer pays the entire salaries of the employees. Under the bill, employers that provide these services are no longer subject to contribution requirements (the requirement to pay taxes) based upon these services, and claimants are no longer eligible to claim benefits based upon the performance of these services.

Failure of employers to provide information

Currently, if benefits are erroneously paid because an employer fails to provide correct and complete information on a report to DWD, any benefits that DWD recovers do not affect charges to the employer's account for the cost of those benefits. The bill provides, in addition, that during the period beginning on January 1, 2006, and ending on June 28, 2008, if benefits are erroneously paid because an employer fails to provide correct and complete information requested by DWD during a fact-finding investigation, but the employer later provides the requested information, charges to the employer's account for the cost of benefits paid before the end of the week in which a redetermination or an appeal tribunal decision ~~concerning benefit eligibility~~ are not affected by the redetermination or decision.

Issuance of warrants against certain individuals

Currently, under certain conditions, an individual who holds at least 20 percent of the ownership interest in a corporation or limited liability company may be found to be personally liable for unemployment insurance liabilities of the corporation or company. Currently, if an employer has delinquent unemployment insurance liabilities, DWD may issue a warrant and file it with the clerk of circuit court for any county where real or personal property of the employer is found. The warrant constitutes a lien upon the property and is subject to execution through sale of the property. This bill provides that DWD may issue a warrant for the collection of any unemployment insurance liabilities for which an individual is found to be personally liable.

Treatment of limited liability companies

Currently, DWD treats a limited liability company as a corporation if the company files an election with the federal Internal Revenue Service to be so treated for federal tax purposes and files proof with DWD that the Internal Revenue Service has agreed to so treat the company. The change may affect the taxation of the wages paid to principal officers of the company and their eligibility for benefits. For benefit purposes, a change is effective on the same date that the Internal Revenue Service agrees to treat the company as a corporation or the date that proof of such treatment is filed with DWD, whichever is later. Under this bill, a change applies to benefit years (periods during which benefits are potentially payable) in existence on or beginning on or after the date that the federal Internal Revenue Service treats the company as a corporation for federal tax purposes if the benefit year to which the

Administrative levy fees

Currently, DWD may proceed against any third party that has in its possession property that is subject to levy for payment of delinquent contributions or penalties administratively assessed by DWD, or for repayment of benefit overpayments. The third party may deduct and retain a fee of \$5 from the amount collected in payment of the fee. This bill entitles a third party to collect and retain a levy fee of \$5 for each levy in which a debt is satisfied by means of a single payment and \$15 for each levy in which a debt is satisfied by means of more than one payment. Under the bill, the fee is payable from the property levied against and is in addition to the amount of the levy.

Enforcement of assessments against imposters

Currently, if any person makes a false statement or representation to obtain benefits in the name of another person, DWD may, by administrative action or by decision in an administrative proceeding, require the person to repay the benefits and may also penalize the person by levying an assessment against him or her in an amount not greater than 50 percent of the benefits wrongfully obtained. One of the ways by which DWD may collect such an assessment is to offset the amount of the assessment against any benefits that would otherwise be payable to the person. This process is called recoupment. This bill deletes the authority of DWD to collect these assessments by means of recoupment.

Admission of employment data system reports

Currently, the contents of a verified or certified report by a qualified expert presented by a party or DWD at an administrative hearing in a benefit claim case is prima facie evidence of the matter contained in the report if the report is otherwise competent and relevant, subject to rules as DWD prescribes. If a report is accepted as prima facie evidence of the matter contained in the report, it is not necessary to present testimony of the expert who created the report in order to admit the report into evidence.

conditions
This bill provides that if DWD maintains a database system consisting of employment data ~~relating to employees~~ and an employee of DWD creates a report from the system, the report also constitutes prima facie evidence as to the matters contained in the report in an administrative hearing on a benefit claim if DWD first provides to the parties an explanation of the system, the parties have an opportunity to review and object to the report, and the report sets forth all information used in creating the report and contains information that can be used to identify the departmental employee who created the report.

Charging of certain benefits for claimants enrolled in approved training

Under current law,
Currently, if a claimant who is enrolled in employment-related training approved by DWD is paid benefits for which the claimant would otherwise be ineligible because the claimant has terminated his or her work or failed to accept suitable work or recall to work and is unable to work or unavailable for work or has failed to meet work search requirements, the costs of the benefits is charged to the

BILL

Specifically
balancing account of the unemployment reserve fund (which is financed from contributions of all employers that are subject to a requirement to pay contributions) instead of to the account or accounts of the claimant's employer or employers. This bill applies this noncharging procedure only with respect to an employer from which the claimant terminated his or her work or refused to accept a recall to work.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

6 108.151 (4) (b) The fund's treasurer shall issue a receipt to the employer for its
 7 deposit of assurance. Any assurances shall be retained by the fund's treasurer in

1 this subsection shall pay an assessment to the fund at a rate established by the
2 department under par. (b). ^c

3 (b) The fund's treasurer shall determine the total amount due from employers
4 electing reimbursement financing under this section that is uncollectible as of June
5 30 of each year. ^e ~~No amount may be treated as uncollectible under this paragraph~~ ^{but not including any amount that became payable prior to January 1, 2004}
6 unless the department has exhausted all reasonable remedies for collection of the
7 amount, including liquidation of the assurance required under sub. (4). The
8 department shall charge the total amounts so determined to the uncollectible
9 reimbursable benefits account under s. 108.16 (6w). Whenever, as of June 30 of any
10 year, this account has a negative balance of \$5,000 or more, the treasurer shall
11 determine the rate of an assessment to be levied under par. (a) for that year, which
12 shall then become payable by all employers that have elected reimbursement
13 financing under this section as of that date.

14 (c) The rate of assessment under this subsection for each calendar year shall
15 be a rate, when applied to the payrolls of all employers electing reimbursement
16 financing under this section for the preceding calendar year, that will generate an
17 amount that, when added to any positive balance remaining in the uncollectible
18 reimbursable benefits account under s. 108.16 (6w), equals the total amount
19 determined to be uncollectible under par. (b), but not more than \$200,000 for any
20 year.

21 (d) Except as provided in par. (e), the rate of each employer's assessment under
22 this subsection for any calendar year is the product of the rate determined under par.
23 (c) multiplied by the employer's payroll for the preceding calendar year, as reported
24 by the employer under s. 108.17 (2) or, in the absence of reports, as estimated by the
25 department.

BILL**SECTION 23**

1 (e) If any employer would otherwise be assessed an amount less than \$10 for
2 a calendar year, the department shall, in lieu of requiring that employer to pay an
3 assessment for that calendar year, apply the amount that the employer would have
4 been required to pay to the other employers on a pro rata basis.

5 (f) The department shall bill assessments to employers under this subsection
6 in the same manner as provided in sub. (5) (f) for the month of September in each
7 year, and the assessment is due for payment in the same manner as other payments
8 under sub. (5) (f). If any assessment is past due, the department shall assess interest
9 on the balance due under s. 108.22. If any employer is delinquent in paying an

12 year in which the employer remains delinquent.

13 **SECTION 24.** 108.16 (6w) and (6x) of the statutes are created to read:

14 108.16 (6w) The department shall maintain within the fund an uncollectible
15 reimbursable benefits account to which the department shall credit all amounts
16 ~~assessed to~~ ^{received from} employers under s. 108.151 (7).

17 (6x) The department shall charge to the uncollectible reimbursable benefits
18 account the amount of any benefits paid from the balancing account that are
19 reimbursable under s. 108.151 but for which the department does not receive
20 reimbursement after the department exhausts all reasonable remedies for collection

22 **SECTION 25.** 108.16 (8) (e) 1. of the statutes is amended to read:

23 108.16 (8) (e) 1. At the time of business transfer, the transferor and the

2 shown to the contrary that the “same interest or interests” includes the spouse, child,
3 or parent of the individual who owned, managed or controlled the business, or any
4 combination of more than one of them.

5 **SECTION 26.** 108.16 (8) (em) of the statutes is created to read:

6 108.16 (8) (em) If, after the transferee of a business has been deemed a
7 successor under par. (e), the department determines that a substantial purpose of the
8 transfer of the business was to obtain a reduced contribution rate, then the
9 department shall treat the transfer as having no effect for purposes of this chapter
10 and shall, retroactively to the date of the transfer, reassign to the transferor all
11 aspects of the transferor’s account experience and liability that had been assigned
12 to the transferee, together with all aspects of the transferee’s account experience
13 related to the transferred business, and shall recompute the transferor’s
14 contribution rate as provided in par. (h).

15 **SECTION 27.** 108.16 (8) (h) of the statutes is amended to read:

16 108.16 (8) (h) The department shall determine or redetermine the contribution
17 rate for a successor subject to this chapter immediately prior to the date of the
18 transfer shall be redetermined, as of the applicable computation date, to apply to the
19 calendar year following the date of transfer and rates for the transferor and the
20 successor as of the date of the transfer of the business. The rates shall apply
21 beginning on that date and shall thereafter be redetermined whenever required by
22 s. 108.18. For the purposes of s. 108.18, the department shall determine the
23 experience under this chapter of the successor’s account by allocating to the
24 successor’s account for each period in question the respective proportions of the

BILL**SECTION 27**

1 transferor's payroll and benefits which the department determines to be properly
2 assignable to the business transferred.

3 **SECTION 28.** 108.16 (8) (im) of the statutes is created to read:

4 108.16 (8) (im) Notwithstanding pars. (b) to (i), a transferee who is not subject
5 to this chapter on the date of transfer of a business shall not be deemed a successor
6 to the transferor if the department determines that the transfer occurred solely or
7 primarily for the purpose of obtaining a lower contribution rate for the transferee
8 than the rate that would otherwise apply if the transferee were deemed a new
9 employer. In determining whether a business was transferred solely or primarily for
10 the purpose of obtaining a lower contribution rate for the transferee than the rate
11 that would otherwise apply, the department shall use objective factors, which may
12 include the cost of acquiring the business, whether the transferee continued the
13 business enterprise of the transferred business, the length of time that the business
14 enterprise was continued, or whether a substantial number of new employees were
15 hired for the performance of duties unrelated to the business activity conducted by
16 the transferor prior to the transfer.

17 **SECTION 29.** 108.16 (8) (m) to (o) of the statutes are created to read:

18 108.16 (8) (m) If any person knowingly makes or attempts to make a false
19 statement or representation to the department in connection with any investigation
20 to determine whether an employer qualifies to be deemed a successor under par. (e)
21 or (im) or any other provision of this chapter for the purpose of determining the
22 assignment of a contribution rate, or if any person knowingly advises another person
23 to do so, including by willful evasion, nondisclosure, or misrepresentation, the person
24 is subject to the following penalties:

BILL

1 1. If the person is an employer, then the department shall assign the employer
2 the highest contribution rate assignable under this chapter for the year, during
3 which the violation or attempted violation occurs and the 3 succeeding years, except
4 that if the department assigns the employer the highest contribution rate for any
5 such year under other provisions of this chapter or if the increase in the employer's
6 contribution rate under this subdivision would be less than 2 percent on its payroll
7 for any year, then the department shall increase the employer's contribution rate by
8 2 percent on its payroll for each year in which a penalty applies under this
9 subdivision.

10 2. If the person is not an employer, the person may be required to forfeit not
11 more than \$5,000.

12 3. The person is guilty of a Class A misdemeanor.

13 (n) The department shall utilize uniform procedures to identify businesses that
14 are transferred under this subsection.

15 (o) Paragraphs (e) 1., (em), (h), (im), and (m) shall be interpreted and applied,
16 insofar as possible, to meet the minimum requirements of any guidance issued by or
17 regulations promulgated by the U.S. department of labor.

18 **SECTION 30.** 108.17 (2b) of the statutes is created to read:

19 108.17 (2b) The department shall prescribe a form and methodology for filing
20 contribution reports under sub. (2) electronically using the Internet. Each employer
21 of 50 or more employees, as determined under s. 108.22 (1) (ae), that does not use an
22 employer agent to file its contribution reports under this section shall file its
23 contribution reports electronically using the Internet on the form prescribed by the
24 department. Once an employer becomes subject to the reporting requirements under

BILL**SECTION 30**

1 this subsection, it shall continue to file its reports under this subsection unless that
2 requirement is waived by the department.

3 **SECTION 31.** 108.17 (2g) of the statutes is amended to read:

4 108.17 (2g) An employer agent that ^{Prepares} files reports under sub. (2) on behalf of less
5 than 25 employers shall file those reports electronically using the Internet on the
6 form prescribed by the department under sub. (2b). An employer agent that ~~files~~
7 ~~reports~~ ^{prepares} under sub. (2) on behalf of 25 or more employers shall file those reports using
8 an electronic medium and format approved by the department. An employer agent
9 that becomes subject to the reporting requirement under this subsection shall file its
10 initial reports under this subsection for the 4th quarter beginning after the quarter
11 in which the employer agent becomes subject to the reporting requirement. Once an

19 section.

20 **SECTION 33.** 108.18 (2) (d) of the statutes is amended to read:

21 108.18 (2) (d) No later than 90 days after the department issues an initial
22 determination that a person is an employer, any employer other than an employer
23 specified in par. (c), having a payroll exceeding \$10,000,000 in a calendar year may
24 elect that its contribution rate shall be one percent on its payroll for the first 3
25 calendar years with respect to which contributions are credited to its account. In

BILL

1 such case, the department shall credit the amount collected in excess of this amount
2 against liability of the employer for future contributions after the close of each
3 calendar year in which an election applies. If an employer qualifies for and makes
4 an election under this paragraph, the employer shall, upon notification by the
5 department, make a special contribution after the close of each quarter equivalent
6 to the amount by which its account is overdrawn, if any, for the preceding quarter.
7 The department shall credit any timely payment of contributions to the employer's
8 account before making a determination of liability for a special contribution under
9 this paragraph. An employer does not qualify for an alternate contribution rate
10 under this paragraph at any time during which the employer's special contribution
11 payment is delinquent. An employer that is the transferee of a business enterprise

4 owed, the department has a perfected lien upon the employer's right, title, and
5 interest in all of its real and personal property located in this state in the amount
6 finally determined to be owed, plus costs. Except where creation of a lien is barred
7 or stayed by bankruptcy or other insolvency law, the lien is effective when the
8 department issues a determination of the amount owed under s. 108.10 (1) and shall
9 continue until the amount owed, plus costs and interest to the date of payment, is
10 paid. If a lien is initially barred or stayed by bankruptcy or other insolvency law, it

12 The perfected lien does not give the department priority over lienholders,
