SECTIONS 1 and

ATTN: ~~Rose Smyrski~~ Melissa Gilbert

Please review the attached draft carefully to ensure that it is consistent with your intent. ~~The attached draft implements the instructions provided by DOT to shift certain responsibilities to DHFS and to increase funding. DOT specifically instructed that the dollar figure in bill SECTIONS 6 and 7 of SB 282 be increased but that the dollar figure in SECTION 3 of SB 282 not be increased. The result is that \$8,000 of the balance in the transportation fund will be appropriated for use by DMV in connection with these special plates, and all but \$27,600 of funds received for these special plates will be transferred to the DHES appropriation.~~

~~In addition to the changes instructed by DOT, the attached amendment "cleans up" the bill with respect to statutory changes occurring in the 2005-07 biennial budget bill.~~

Please let me know if you would like any changes made to the attached draft or if you have any questions.

ATTN: Melissa Gilbert

Please review the attached draft carefully to ensure that it is consistent with your intent. The dollar figure in bill SECTIONS 6 and 7 of SB 282 is increased but the dollar figure in SECTIONS 1 and 3 of SB 282 is not increased. The result is that \$8,000 of funds in the transportation fund unrelated to these plates will be appropriated for use by DMV in connection with these special plates, the first \$27,600 of funds received for these special plates will be available to DOT for administration related to these plates, and all other funds received for these special plates will go to the Foundation.

The attached amendment also "cleans up" the bill with respect to statutory changes occurring in the 2005-07 biennial budget bill.

Please let me know if you would like any changes made to the attached draft or if you have any questions.
