STATUTORY LANGUAGE CHANGE PROPOSAL

**Subject:** CONSOLIDATION AID ELIGIBILITY

**Agency Contact:** Jennifer Kammerud (266-7073) 3227

**Description of Intent/Comparison to Current Law:**

Under current law, the school boards of two or more school districts may adopt resolutions stating that they will consider consolidating their school districts. If consolidation occurs, current law (s. 121.105(3) Wis. Stats., Special Adjustment Aids) specifies the amount of state aid that the newly-consolidated district will receive:

"In the school year in which a school district consolidation takes effect under s. 117.08 or 117.09 and in each of the subsequent 4 school years, the consolidated school district's state aid shall be an amount that is not less than the aggregate state aid received by the consolidating school districts in the school year prior to the school year in which the consolidation takes effect."

For example, if district A received \$500,000 in equalization aid in the year prior to consolidation and district B received \$500,000 in equalization aid in the year prior to consolidation, for the first five years of the consolidation, new district C would never receive less than \$1,000,000 in equalization aid, regardless of the current equalization aid formula.

The department certifies district state general equalization aid each October 15, as required under statute. This aid amount is subject to adjustment/correction in the subsequent year if errors were included in district data used to calculate its general aid.

Since consolidation aid is tied to the prior year state aid amount, the department proposes to change s. 121.05(3) to reflect that consolidation aid be paid on the eligible prior year aid, rather than the actual aid payment. This will allow for reflection of aid adjustments due to errors in the year prior to consolidation and will protect all school districts from seeing a potential aid reduction should the consolidation aid be paid incorrectly.

**Action in Previous Legislation:** None.

**Related Statutory Citations:**

**Requested Effective Date:**

For consolidation aid paid starting in fiscal year 2006-07.
