Assumptions Used in Arriving at Fiscal Estimate

This bill would allow the court to order a person convicted, adjudicated delinquent, found in need of protection or services, or found not guilty by reason of mental disease or defect for committing "video voyeurism" to register with the Department of Corrections as a sex offender. It also allows the court, under certain circumstances, to expunge convictions for persons who commit the offense before age 21.

This bill will have no fiscal effect on the Department of Health and Family Services or county human services or social services departments.
