Assumptions Used in Arriving at Fiscal Estimate

This bill requires that the governing body of a private school participating in the Milwaukee Parental Choice Program (MPCP) adopt academic standards and adopt and administer the Wisconsin Knowledge and Concepts Examinations and the third grade reading test. The bill requires DPI to provide the tests free of charge to MPCP schools.

The bill would allow parents to opt their students out of taking the Wisconsin Knowledge and Concepts Examinations. Therefore, it is possible that the costs of administering these tests to MPCP students may be less than the estimates identified below.

STATE FISCAL EFFECT:

Total Estimated Annual Cost: \$90,000

LOCAL FISCAL EFFECT:

There would be no local fiscal effect on school boards; however, under this bill private schools participating in the MPCP may incur costs associated with providing and training proctors, providing test security, developing standards and/or accommodating pupils with special needs.
