**Assumptions Used in Arriving at Fiscal Estimate**

The State Public Defender (SPD) provides legal representation in criminal cases and other specified proceedings in which the loss of personal liberty or parental rights may occur. For adult clients, the SPD must complete a financial eligibility evaluation before appointing an attorney. SPD services are constitutionally required because in the case types handled by SPD, a defendant without the financial means to hire an attorney has the right to have an attorney appointed. Therefore, any bill that would increase the number of cases handled by SPD would increase SPD costs.

Because this proposal, relating to seizure of money, does not create a new criminal offense or change penalties, SPD does not anticipate any fiscal effect.

**Long-Range Fiscal Implications**
