Fiscal Estimate Narratives

Subject Eliminate condemnation by nongovernmental entities		

Assumptions Used in Arriving at Fiscal Estimate

This bill removes the ability of utilities and railroad corporations to acquire property by condemnation. As currently proposed the bill would not have a fiscal effect on the PSC.

The cost impact on local government is impossible to determine without establishing whether the entity received fair market value, or not, for any particular piece of property that was condemned, and determining what the value of the property would have been had the condemnation not occurred.
