LRB Number 05-2343/4	Introduction Number AB-792	Estimate Type Original
Description Requiring a home care placement agency that places a home care worker in the residence of a home care consumer to provide notice to the consumer concerning the rights, duties, responsibilities, and liabilities of the consumer with respect to the worker and notice to the worker concerning the worker's employment status and granting rule-making authority		

Assumptions Used in Arriving at Fiscal Estimate

The bill requires Homecare providers to complete certain notifications to consumers.

The Board on Aging and Long Term Care does not directly advocate for consumers of home care services except in the context of consumers receiving services funded under the Community Options Program. The bill places no additional direct responsibilities on this agency and will not affect the agency's budget.
