LRB Number 05-	-3811/1	Introduction Number	AB-826	Estimate Type	Original					
Description Prohibiting a person responsible for a child's welfare while the child is being transported in a child care vehicle from leaving the child unattended and providing penalties										

Assumptions Used in Arriving at Fiscal Estimate

While it is likely that the actual number of violations of this bill, were it enacted, would be very small, the potential in each instance of such an action for serious harm to come to a very vulnerable child is very great. Therefore even in those few cases, the time needed to prosecute them would likely be significant.

Long-Range Fiscal Implications

None.
